- Do you give full permission for us to contact your vet, if required, during your pets stay? *please circle*
Yes / No
- Do you give permission for worm/flea treatment to be given if necessary? Yes / No

TERMS & CONDITIONS

I agree to allow The Retreat to obtain medical treatment for my cat, if it appears that, he/she is ill, injured or exhibits any other behaviour that would reasonably suggest that my cat may need medical treatment, and I agree to The Retreat administering any prescribed treatment the vet considers advisable. This would be a Veterinarian Practice suitable at the time of in need.

I AGREE THAT I AM FULLY RESPONSIBLE FOR THE COST OF ANY SUCH MEDICAL TREATMENT AND FOR THE COST OF ANY TRANSPORTATION FOR THE PURPOSES OF SUCH TREATMENT, PROVIDED TO MY CAT.

On arrival, owners must produce an up to date annual booster vaccination certificate, given a minimum of 14 days prior to boarding. Unfortunately, we are unable to board any cat without proof of vaccinations. No cat will be accepted unless in good health. If, on arrival, the health of any cat is causing concern, the cattery management reserves the right to refuse admission. If you wish to bring in familiar items during their stay please make sure they are clean and labelled with your cat's name. Please be aware we cannot accept any liability for loss or damage to personal belongings. We will provide good quality cat food, you are welcome to bring your own weighed out into separate bags for each feed. All cats must be wearing a collar.

Fees are charged on a daily rate, which includes the day of arrival. On the day of departure, if your cat is collected before 10am, you will not be charged for the day. Collections after 10am will incur an additional daily fee. All prices include VAT. No cat will be released until payment is received in full. Any cat not collected within 7 days of departure date will be dealt with at the discretion of The Retreat management if no communication is made from the owner.

I agree to my cats being placed in separate units if it becomes clear they are not getting on and risk injury to themselves or each other (in which case the chalets will be charged at individual occupancy rates).

I give consent for euthanasia should this be recommended on humane grounds by the veterinary surgeon caring for my cat, in consultation with me where possible, my own veterinary surgeon and my emergency contact person.

By leaving your cat(s) to board with us, you are agreeing to our terms and conditions.
